Showcase Title

Team MINI: Building a Better, Stronger, Lighter Robotic Machine

Authors/Innovators

Ray Holt, Phil Caputo, Mike Malfa, Erica Querns

Showcase/Innovative Practice Description

Team MINI has been around entertaining hockey fans at SUNY Oswego for several years. We recently became an official Student Association (SA) club. We are in the process of constructing a new, lighter, stronger, more reliable remotely controlled robotic vehicle. Stop by and take a look at our progress and say hello to the current Team MINI members.
